

WE HAVE PREPARED YOUR CHURCH

- We have had our cleaners to deep clean the church while we have been away to make it clean & safe.
- After each use the church will be wiped down with disinfectant wipes so you will notice there will not be any song books or Bibles in the pews to help on the clean up time until we see if there is going to be another outbreak of the virus.
- We will not have any classes downstairs at this time.
- We will not use the Fellowship Hall until further notice.

SOCIAL DISTANCING

We have all missed being together and I know you will be anxious to catch up with each other but we need to be mindful of the guidelines.

Please try to stay 6 feet apart. We have all grown up hugging and shaking hands but we have come to a time that is not going to allow us to do that for a while. We have members who are very susceptible to this virus and we want to protect them.

There will be changes you notice throughout the church and these things are done only to protect each other.

If you are sick please stay home. It is not safe for you or others at this time to spread anything that will weaken yours or their immune system.

Family members can sit together however they feel comfortable.

We will have an order in how we will dismiss to keep from having a back up at the exit door.

WORSHIP SERVICES

Due to all that needs to be done between services we will only have Sunday morning worship services and Wednesday night service until further notice.

DISINFECTING

- Please use hand sanitizer frequently
- Please help us keep all areas clean and safe for everyone.
- There will be disinfectant wipes in the bathrooms to wipe the handles after each use.
- Please do not leave any used tissues laying in your seat.
- Remove any trash you have as you leave the building.
